# Certificate

for offsetting greenhouse gas emissions

MEWS GROUP  
has offset **185,500 kg**  
of CO<sub>2</sub> greenhouse gases on May 10, 2023.

## What does your climate protection contribution accomplish?

With your climate protection contribution with the amount of 4,267.00 Euro, you are supporting the following

### Efficient stove systems for families in Nigeria

Your climate protection contribution pays for 71 stove systems. These save about 80 % of energy.

### Electricity generation from mustard seed crop residues in India

Your contribution provides 232 households with one year of renewable electricity.

### Construction of biogas units for households in Kenya

Your climate protection contribution finances the construction of 14 biogasdomes.

Since 01.01.2021, atmosfair implemented the authorization of projects according to the new framework of the Paris Agreement. The projects listed here have already received approval from the host countries (incl. so-called Corresponding Adjustments) or use CO<sub>2</sub> reductions from before the above reference date in order to avoid double counting.

United Nations  
Framework Convention  
Climate Change
